**1. Can you spot the connectives?**  
Underline the connective in each sentence.

- It's been a long time since I last played football.
- I was going to eat the sweets but I saved them for my sister.
- She was nice to me although she wouldn't let me play with the toy.

Write ONE awesome sentence using any connective of your choice.

---

---

**2. Up level the following sentences using powerful adjectives.**

- Sam drove a car

---

- Sara wore a dress.

---

- Ben has a backpack.

---

**Reasoning**

**1.** There are 245 children at school.  
100 children have school lunch.  
The others have packed lunch from home.  
How many children have packed lunch from home?

**2.** A wooden table has 4 legs.  
How many legs will nine wooden tables have?

**3.** Ali has twelve hours to exercise.  
He must change his type of exercise every two hours.  
How many types of exercise will he have done at the end?
