Direction - Read the passage below and answer the questions.

Easter is a fun holiday that happens in the spring. One of the best things about Easter is the Easter bunny. The Easter bunny  brings treats for kids to find on Easter morning.

Another fun thing about Easter is decorating eggs. Kids can use colors and stickers to make their own Easter eggs. 

Easter is also a time for families to have a special meal together and give each other presents to show how much they care.
